

Dream Warrior Carlo

BAND STORY

"

Played guitar and flute since my early teens. Learned from several Bay area blues and rock musical artist and classical vocalist, I collaborate with many musicians.

influences:

I listen to alot of 70's Prog-Rock and obscure European RIO (Rock in Opposition), and V. My own interest is Fingerstyle Guitar, Rhythm Guitar, Progressive Rock and Folk. Favorite locations: Carmel California. Olympic Rain Forest. Equipment used: Six string Ovation Guitar, 12 string Gibson electric semi-hollow body guitar, Martin Dreadnaught 6 string guitar, Asian Bambusa digital Gforce Mellotron for that vintage super psychedelic sound!! I record using Protools 8.0 and various plug-ins: Xpand, etc.

You can purchase a CD of The Dreaming Warrior or download separately on Amazon.com

http://www.amazon.com/Dreaming-Warrior-Carlo-DAnna/dp/B002BWOZNI/ref=sr_1_1?

Or for a more complete and updated song list visit my page at Soundclick where there are mp3 downloads.

<http://www.soundclick.com/Progressivefellow>

Also an EP currently can be obtained with a choice of download types, (flac, 320 mpg, AAC)

LATEST NEWS

Cinemetropolis: New collab with Mike_FGP & Melvin Mantis

Pushing the edge when working with a (backer). This was a major project for me, in the mixing department. Mike had this wonderful Soundtrack score for CARAZZY GUYS!! This is the result. We all added an equal portion of wackiness. Please check it out!!

Hello to all my musical Buds!!

Just stopping by here to say hello to y'all! Hoping that 2010 finds you happiness, contentment and that elusive cutting edge in all of your musical endeavors.

It has been a new found joy for me to experience world wide music sharing.
