BAND STORY

"

MRI's new single "The Beautiful And Dangerous", produced by veteran rock producer Eric Greedy (HURT), has blown away fans in both the hard rock and alternative rock scene. Hailing from Ft. Lauderdale, MRI forges a truly unique sound that is both heavy and melodic, with influences from Jane's Addiction, Alice In Chains, Led Zep, STP, The Beatles and U2. MRI's songs and avant-garde videos will appeal to a vast audience hungry for something new.
