BAND STORY

"

Pugh Production is ,for lack of a better term, is a blanket company for all the endeavours of my wife, Irene and I. We started in 1979 doing radio jingles with Rodger Hoover out of "Sweet Song Studios" in Mineral Wells ,WV. and studio assistant to Marcel Lazare with "Hobit Hole Studios" in St. Albans, WV.

I got broke in with tascam and dokorder tape equipment and from there progressed to a much simpler digital software, Cakewalk, over the years. Yes' gone are the days of 8 hours of listening to someone bang a drum to get the "bugs" out. Now it's just point and click.

My wife is the author and arts and crafts person in our family. I just play music, record and drive an 18 wheeler. I don't have a lot of time anymore for music now but, I'm looking for the day when I get out of the truck for good and start playing full time again. I had to leave a great band to go over the road with this job.

Our ministry basically got started when Irene and I got married. I was playing in the Maranatha Fellowship Church band in WV., and we were kind of unofficial staff members. After several years in West Virginia we moved to Michigan, near the town where I was born and raised. We took on about the same roles at Westshore Christian Fellowship in Muskegon, MI.

From there we went to Florida and you guessed it, dejavo all over again, we finally got the message and dug our roots in good ole' South Carolina soil and ,by God's grace, we're

New Song Post

Hope you enjoy this old Christmas Carol set in a modern contemporary music style. I found the words in an old hymnal and wrote and recorded the music in 2004 for my Christmas CD, "NOEL".
